SCHEDULE

Thursday, November 7, 2019

7:30 a.m. Registration and Continental Breakfast
8:00 a.m. Opening Remarks: Jörn-Hendrik Weitkamp, MD
8:10 a.m. Jayant Shenai Keynote Address: Improving Early Life Nutrition to Support Childhood Development and Adult Mental Health: Putting Science into Practice Michael K. Georgieff, MD
9:00 a.m. Neonatal Hypoglycemia: What Is New and What Does the Future Hold Paul J. Rozance, MD
9:50 a.m. Break
10:20 a.m. Interactive Pediatric Cardiology for NICU Providers Thomas P. Doyle, MD
11:10 a.m. Volume-Targeted Ventilation Martin Keszler, MD
12:00 p.m. Lunch
1:00 p.m. A Neonatal Imaging Interactive Session Gabriella Crane, MD
1:50 p.m. Seizures in the Neonate: Acute Symptomatic Seizures and Early Onset Epilepsy Hannah C. Glass, MD, MDCM, MAS
2:40 p.m. Break
3:10 p.m. Neonatal Resuscitation: What Is the Evidence? Emily Morris, MD
4:00 p.m. Composition of the NICU Team: Who Is Caring for Our Tiny Patients Now and in the Future. What Every NICU RN, APRN & MD Needs to Know Roxanne R. Stahl, NNP-BC
4:50 p.m. Closing Remarks Jörn-Hendrik Weitkamp, MD
5:00 p.m. Adjourn

Friday, November 8, 2019

7:30 a.m. Registration and Continental Breakfast
8:00 a.m. Opening Remarks: Jörn-Hendrik Weitkamp, MD
8:10 a.m. Neonatal Hyperglycemia in the ELBW Paul J. Rozance, MD
9:00 a.m. Advances in High-Frequency Ventilation Martin Keszler, MD
9:50 a.m. Break
10:20 a.m. Pursing a Culture of Safety: The Role of Professional Accountability Jerry Hickson, MD
11:10 a.m. Body Composition Changes in Preterm Infants: Effect on Brain Growth and Long-Term Function Michael K. Georgieff, MD
12:00 p.m. Lunch
1:00 p.m. Neonatal Sepsis: A View from the SGFA James L. Wynn, MD
1:50 p.m. The Neuro-Intensive Care Nursery: A Decade of Care Hannah C. Glass, MD, MDCM, MAS
2:40 p.m. Break
3:10 p.m. Neonatal Resuscitation: What Is the Evidence? Emily Morris, MD
4:00 p.m. Composition of the NICU Team: Who Is Caring for Our Tiny Patients Now and in the Future. What Every NICU RN, APRN & MD Needs to Know Roxanne R. Stahl, NNP-BC
4:50 p.m. Closing Remarks Jörn-Hendrik Weitkamp, MD
5:00 p.m. Adjourn

COURSE DESCRIPTION
Neonatal and perinatal medicine continues to undergo dramatic change. This is brought about by scientific and clinical factors which enable us to care for increasingly complex groups using new technology and treatment options. Practitioners in neonatology are challenged to keep up-to-date on clinical issues as well as the current research that will influence future change.

This Annual Neonatology Symposium is designed to offer attendees practical, take-home information that addresses current issues in neonatal-perinatal medicine. Question and answer periods will be provided. This format is designed to facilitate interaction and allow for a more thorough exploration of information impacting clinical practice.

Speakers have been selected for their clinical expertise, knowledge of current research, as well as their reputation and ability to present updated information in concise and understandable terms.

TARGET AUDIENCE
Neonatologists in academic and community hospital settings, neonatal nurse practitioners (NNPs), and pediatricians will find the material relevant to their practice. All members of the NICU multidisciplinary team (nurses, respiratory therapists, nutritionists, and pharmacists) may also find the information of value.

COMPETENCIES
This symposium will address the following AGAMs/AAMS competencies:
• Medical Knowledge
• Patient Care
• Practice-based learning and improvement
• Systems-based practice

LEARNING OBJECTIVES
After participating in this CME activity, participants should be able to describe and discuss:
• Ventilatory and nutritional management of neonates in the NICU
• Pathophysiology and management of infants with sepsis, cardiac defects, infection, and brachial plexus injury
• Relationship between professionalism, patient safety, and quality in medicine
• State of the NICU art force
• Evidence for current delivery room management

LOCATION AND ACCOMMODATIONS
Hilton Garden Inn Nashville/Vanderbilt
1715 Broadway
Nashville, TN 37203
(615) 369-9990 or 1-877-782-9444

CANCELLATION POLICY
If you would cancel your registration for this course, Vanderbilt Department of Pediatrics, Mildred Statman Division of Neonatology will refund your registration fee, less a $100 administrative fee, provided you notify us by October 6, 2019. No refunds will be made after this date. Registration may be transferred to another person.

In the event of cancellation or rescheduling of this CME/CNE activity due to unforeseen circumstances, Vanderbilt University Medical Center will refund registration fees in full. Vanderbilt University Medical Center is not responsible for non-transportable, non-refundable airline tickets or hotel accommodations purchased in connection with attendance at this CME/CNE activity.

REGISTRATION FEES
Registration fee includes attendance at all sessions, online course syllabus, continuing medical or nursing education credits, continental breakfasts, refreshment breaks and lunch, and self-parking at the hotel. Please refer to the registration form for the fee schedule.

CME ACCREDITATION
Vanderbilt University Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Vanderbilt University Medical Center designates this live activity for a maximum of 14.5 AMA PRA Category 1 Credits™. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

CME ACCREDITATION
Vanderbilt University Medical Center, Department of Nursing Education and Professional Development is an approved provider of continuing nursing education by the Tennessee Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation. This activity is designed for a maximum of 14.5 CNE Contact Hours. Participants should claim only the credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES
It is the policy of Vanderbilt University Medical Center to require disclosure of financial relationships from individuals in a position to control the content of a CME activity, to identify and resolve conflicts of interest related to those relationships, and to make disclosure information available to the audience prior to the CME activity.

Faculty are required to disclose discussions of unlabeled/unapproved uses of drugs or devices during their presentations.
